## Traditional Balinese Massage

Price 90 minutes: IDR 990++  
60 minutes: IDR 660++

Pamper yourself with the spiritually and physically restoring Balinese massage which dates back many thousands of years ago. Developed in Bali, Indonesia, yet drawing its roots from traditional Chinese massage and Indian Ayurveda, this treatment will work deeply to soothe damaged tissue and relieve strained muscles and joint pain. A rigorous, yet therapeutic combination of long, gliding movements, skin rolling and firm kneading along the pressure points, will warm and relax muscle tissues and boost your circulation to help rebalance your entire wellness system. Personalise the treatment by telling our therapist which areas you would like to focus on.

## Herbal Compress (90 minutes)

Price: IDR 880++

The use of herbs for medicinal purposes has a long history in both India and China and came to Thailand with the introduction of Buddhism. By wrapping the chopped up herbs in a cotton cloth, we combine the unique treatment between body massage using warmed herbal massage oil with warm herbal compress to alleviate pain of sore muscles and joints, symptoms of flu and cold, relieve the pain of rheumatism and arthritis, promote healing of sprains and bruises and to soothe and quiet the mind, inducing a state of relaxation.

*Herbal foot bath-body massage combined with hot compress*

## Warm Stone Massage (90 minutes)

Price: IDR 990++

Warm Stone therapy is very helpful during times of anxiety, sleeplessness and stress. The warmth from the stones dissolves tension, melts pain, strain muscle aches away and gently improves circulation. Stones are often placed on the soles of the feet and in the palm of the hands to stimulate the reflex points and on the back of thighs or upper shoulders to encourage deep rest.

*Floral foot bath - stone massage*

## Foot Reflexology

Price 60 minutes: IDR 660++

30 minutes: IDR 440++

A dynamic treatment that is based on the principles of reflexology, linking the reflex zones on the feet to organs and systems in the body. Pressure is applied to various zones on the feet using the thumbs, fingers and palms to induce relief from pain, illness and stress. Reflexology is particularly beneficial for the relief of tension headaches, poor circulation and a sluggish digestive system.
